To Ahmed: I hope this email finds you well.

I am writing to kindly follow up on my compensation claim related to the disruptions on **12th of January 2025**. Despite the extended efforts and time, I have dedicated myself to resolving this matter, I have yet to receive your response.

Additionally, I noticed that in your last email, the date you mentioned was "**Until Tuesday 2nd April 2025**" and this was incorrect, as the "**02nd of April 2025**" was actually a "**Wednesday.**" Out of consideration, I waited until the end of the day yesterday to allow for any potential delays, even after the considerable time already spent addressing the issues and losses I incurred.

I would greatly appreciate an update today as of your earliest convenience regarding the progress of my claim. Please let me know if you require any further information to expedite this process.

Thank you for your attention to this matter, and I look forward to hearing from you.

Kind regards, Simon Paul Cordell
